COVID-19 Disclaimer

Milestone Academy & Child Development Center is doing everything it can to ensure the safety of its employees and students. To this extent we will be following the Center for Disease Control (CDC) and Alabama Department of Health guidelines with regard to social distancing practices in order to reduce the spread of the Novel Coronavirus (COVID-19). This will require us to have no more than twelve (12) individuals in a classroom, and our staff to maintain six (6) feet of distance between ourselves and parents in order to limit the spread and exposure to COVID-19.

We will require all individuals (with the exception of students and staff) entering our facility to utilize surgical masks, or improvised masks to reduce exposure to yourself and others. We will continue with our routine sanitizing methods throughout the day.

Please understand that on a daily basis we will check for the following symptoms: Fever higher than 100 degrees, chills, cough, difficulty breathing, fatigue, headache, sore throat, congestion or runny nose, nausea or vomiting, diarrhea. Any child who exhibits one or more of these symptoms will not be permitted to return to daycare until he/she is cleared by a doctor.

By signing this form you release Milestone Academy & Child Development Center and the owner, Wanda Henderson from any liability should you or your child become infected with COVID-19. If we all work together during these unprecedented times we can help to flatten the curve and reduce the spread of COVID-19.
